Habit: Groundcover	<u>Diseases</u> : Pythium, Rhizoctonia and Botrytis	
Day Length for Flowering: Short day		

Description

A matched companion to Ajuga NOVA® 'White', NOVA® 'Pink' has the same mat forming ability in the garden and landscape. Deep green foliage that sometimes has a purplew flush to it, shows off the pretty bright pink and violet flowers. Beautiful when companion planted with spring flowering bulbs underneath, like crocus, muscari and narcissus.
