Possible Problems: Insect: Watch for aphids, mites, thrips, whitefly and slugs

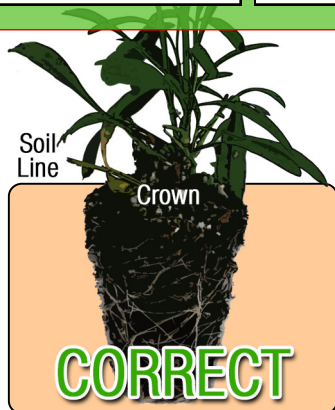

Habit: Upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

A dream in the landscape with its compact habit, amazing number of flowers, and long season of bloom. Flowers are deep pink. Bred with *E. tennesseensis* for floriferousness. A great landscape plant for a long show of color. Received the highest rating at MSU for container culture.
