Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

## Description

Glows with its clear, yellow flowers that bloom from summer to fall. The name "Leilani" is well suited to this elegant plant as it means "royal child of heaven." It has a strongly upright habit that doesn't require any staking. Use en masse for the border, in a mixed bed, and as a cut flower. Winning accolades all over for its beauty and long bloom time.
