Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

This plant has it all - a wonderfully compact habit only 18" tall, purplepink flowers 4½" across with ribbon-like petals held out horizontally, and dark cones. It is great used in the front of the border or in mixed beds. Clean and reliable, you'll enjoy this wonderful Echinacea everywhere in your garden. Not just another purple Echinacea.
