Habit: Upright, clumping

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

## Description

Stately and elegant, SUPREME™ 'Elegance' was the inspiration for the series. A lovely, deep rose-red center enriches as the flower ages. The ray petals are star-like and are a bright mauve pink that deepen in color also. Very lovely and very elegant, a top notch garden plant.
