Hardiness Zones: 8 - 11

Possible Problems: Insect: Mites are possible

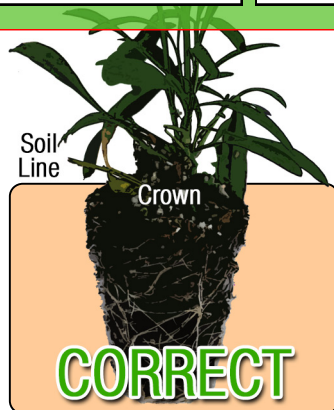

Diseases: Leaf spots

Habit: Upright, clumping

Day Length for Flowering: Short day

Do NOT bury the crown of the plug

Description

Make a Hawaiian splash with this boldly variegated hybrid ginger. Intoxicatingly fragrant apricot flowers emerge in midsummer and continue thru fall. The upright habit of 'Tahitian Flame' creates a wonderful architectural accent for both containers and gardens.
