Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Named for a dark city with its obsidian-black leaves. Heuchera 'Gotham' is a compact plant. It fills a pot quickly and flowers all spring, summer, and fall with primrose yellow flowers that stand out like the moon on a dark night. Good in a container or as an edger in the landscape.
