Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

## Description

Bred for sun tolerance, 'Lemon Supreme', grows fine in full sun in Oregon where other yellow foliage burns out. The yellow spring leaves turned to lime in summer. White flowers. Forms a rounded mound with clean yellow round leaves. Grows even better if given some shade!
