Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

One of our heaviest spring bloomers produces masses of pink flowers above highly silvered foliage. Excellent in containers, en masse, or as a splendid specimen. A level of Heuchera breeding with more flowers than any other in our spring trials. Popular!
