Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture or poor drainage. **Note**: All Heucherella are rust resistant.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

This heat and humidity tolerant woodland plant holds large fan-shaped leaves of deep green with striking red veins and a white veil overlay. Small white flowers are held on medium height stems. Evergreen. Beautiful in containers, around your pond, or in the woodland.
