Habit: Trailing

Diseases: Root rot may occur with excessive soil moisture or poor drainage. **Note**: All Heucherella are rust resistant.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

The ruby-splashed, butterfly-like foliage is adorned in wonderful, warm autumnal tones. Interest is added as these change colors through the seasons. It's so nice spilling out of a container in sun or shade or use it in your mixed beds. Heuchera villosa breeding enhances its usability in many regions. Vigorous grower.
