Water Requirements: Dry moderately between waterings

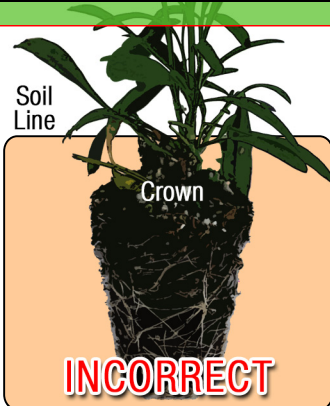

Hardiness Zones: 6 - 9

Possible Problems: Insect: No major pests

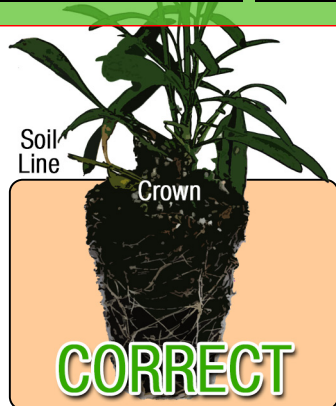

Diseases: No major diseases

Habit: Clumping

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Deep, butterscotch-gold flowers cover this plant from June through frost. Stiffly upright foliage stays neat when not in flower. Flowers fall away cleanly as they age, to help keep this plant looking fresh all the time.

Continuous flowering spring through frost. Excellent for gardens and mixed containers.
