Habit: Groundcover

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

This wonderful hybrid catmint is a fabulous addition to any sunny garden. 'Purple Haze' forms a silver mat with purple-blue flower spikes that look like Buddleias. The plants have a clean habit and bloom all summer long. No maintenance because it rarely gets messy! Can be used in the front of borders and mixed beds, as a groundcover on banks, or in a rock garden. A very versatile plant.
