Diseases: Fungal problems can occur if provided poor drainage

Habit: Clumping, Upright

Day Length for Flowering: Obligate Long Day

Description

Strongly contrasting maroon stems and olive green leaves. Garnish your summer garden with its improved mounding habit, then sit back and watch this easy to grow, drought resistant perennial grab the attention. Enjoy a 'Double Martini' on dry banks, in parking strips, or in your mixed bed.

Do NOT bury the crown of the plug
