Hardiness Zones: 4 - 9

Possible Problems: Insect: Aphids are possible
Diseases: Fungal problems can occur if provided poor drainage

Habit: Upright

Day Length for Flowering: Facultative short day

Do NOT bury the crown of the plug

Description

Loved for its burgundy leaves, rose-gold flowers, multiple crowns the first year and an excellent habit. You'll love it even more for attracting pollinators, minimal water use and the unique color splash!
