

TERRA NOVA® Nurseries Introduction

HEUCHERA

CITY™ SERIES

'HAVANA'

- Swirling yellow-lime leaves are veiled in white. Prefers shade or morning sun only
- Dense wands of cerise pink flowers glow, like the end of Fidel's cigar
- 'Havana's compact form and reblooming habit make it an excellent pot plant
- Foliage Height: 7" - Foliage Spread: 12" - Flower Height: 14"
- Zones 4-9 - Shade
