

TERRA NOVA® Nurseries Presents

# TRICYRTIS

## LASIOCARPA

- Has medium stalks reaching up with green to purplish spotted foliage
- Up facing, star-shaped flowers of bright purple-blue make this a very desirable plant
- This variety blooms later than many Tricyrtis
- Foliage Height: 24" - Foliage Spread: 14" - Flower Height: 24"
- Zones 5-9 - Part shade to shade
